## EXPERIENCE

### Barista Trainer

### Starbucks

**November 2020 – March 2023**

Greeted customers in a timely and amicable manner while working in a rapid pace environment alongside other baristas. Maintained a clean and organized work environment to ensure optimal workflow and customer satisfaction.

### Garden Associate

### Home Depot

**March 2017 – October 2017**

Actively provided customers with useful information and assistance for their individual needs and projects. Took time to provide recommendations for other products as necessary for their purposes.

### Sea Lion Stagehand

### Georgia Aquarium

**April 2018 – September 2020**

Acted as liaison between the Production, Sea Lion, and Wardrobe departments for costume management, requests, and appointments. Assisted animal trainers with their microphones and audio visual technician with microphone testing.
